# Swim Lesson Levels

Each of these class names is an animal that you can find in or near the Colorado River.

## **Brassy Minnow Parent/child class level 1**

*Brassy Minnows only grow to about 2½ -3inches long!*

Capacity: 10 kids

Recommended age: 6-12 months old

Child should already be able to: N/A

Objectives:

- To feel comfortable in the water
- To introduce basic skills like kicking and balance
- To enjoy water in a fun learning environment
- To introduce water safety to parents

## **River Otter Pup Parent/child class level 2**

*River otter babies are called pups. A river otter normally has 2-3pups!*

Capacity: 10 kids

Recommended age: 12-24 months old

Child should already be able to:

- Comfortably dunk
- Have taken at least one level 1 class this season or in previous seasons

Objectives:

- To feel comfortable in the water
- To enjoy water in a fun learning environment
- To encourage water independence
- To make purposeful movements in the water like kicking, responding to cues, and blowing bubbles

## **Rusty Crayfish**

*Rusty Crayfish are not native to Colorado.*

Capacity: 3 kids

Recommended age: 2-3 years old

Child should already be able to:

- Listen to directions
- Feels comfortable standing/sitting on the stairs or dock

Objectives:

- To learn assisted front and back floats
- blow bubbles with mouth and nose underwater
- To share toys and socialize appropriately with the group
- Learning about the parts of the pool (jets, skimmer, drain, etc.)

# Swim Lesson Levels

## **Black Carp**

*The biggest carp ever caught was 94 pounds!*

Capacity: 3 kids

Recommended age: 3-5 years old

Child should already be able to:

- Have water poured on their head and not cry
- Be able to float with assistance
- Blow bubbles with mouth and nose

Objectives:

- Unassisted back and front floats
- Rolling over
- Kicking on front and back
- Learning the meaning of the pool depth numbers

## **Rainbow Trout**

*Rainbow trout usually only live to 4 or 6 years old.*

Capacity: 3 kids

Recommended age: 3-5 years old

Child should already be able to:

- Unassisted back and front floats
- Rolling over
- Swim independently for a brief period of time
- Kick on front and back

Objectives:

- Rocket ships for 5ft with kicks
- Beginning to learn back stroke and freestyle
- Jumping into water
- Learning about lifeguard tubes

## **Northern Water Snake**

*Water snakes eat fish and frogs!*

Capacity: 3 kids

Recommended age: 3-5 years old

Child should already be able to:

- Rocket ships for 5ft with kicks
- Beginning to learn back stroke and freestyle

- Jumping into water

Objectives:

- side breathing
- treading water
- swim in deep end without fear
- can swim half a pool length in backstroke and freestyle
- beginning to learn the basics of fly and breast stroke

# Swim Lesson Levels

## Western Painted Turtle

*A group of turtles is called a "bale" of turtles!*

Capacity: 3 kids

Recommended age: 6-12 years old

Child should already be able to:

- Unassisted back and front floats
- Rolling over
- Kick on front and back

Objectives:

- Streamline for 5ft with kicks
- Beginning to learn back stroke and freestyle
- Jumping into water
- Learning about lifeguard tubes
