

Kids' Club Age Groups

Infants and Toddlers

The Kids' Club staff interacts with all children and is sensitive to individual needs. We change diapers, feed bottles, and will spoon meals and snacks. We have a variety of age appropriate toys.

Preschool and Elementary School Aged Children

Preschool and elementary school aged children have a choice of several activities. We have a train table, books, kitchen with play food, coloring, arts and crafts, building blocks and tablets with educational games. Weather permitting: children can spend time outdoors in a walled-in play area with a fun play structure.

7-13 Year Olds

Children in this age group will enjoy access to several activities including: board games, Legos, books, homework help, and access to our Xbox Kinect which is equipped with a variety of athletic games
