Class Descriptions:

Ben-Fit: This program is designed to take your functional fitness to the next level by combining circuit training, strength training, and high-intensity interval training into one comprehensive program. There is fit, and there is Ben-Fit. Which are you?

Body Burn: Get ready to experience the Burn! Your lungs, body and metabolism will be on fire with this push-it-to-the-max workout! Find your fire and rev up your fitness on all levels!

emPOWER: Our kickboxing class with a new name! Find your inner and outer strength and confidence in this high energy workout for all experience and fitness levels. Learn kickboxing techniques that will increase strength, improve cardio, and relieve stress! Push yourself to the next level by training like a fighter - the ultimate workout for coordination, balance, power and flexibility. Be emPOWERED! *Boxing gloves recommended.

Fast-N-Fit: (Complimentary class) This 30-minute, high intensity class incorporates a BOSU to develop core and stabilizer muscles while challenging strength, power and endurance.

FIT Club: Have fun with Coach O and challenge yourself during this one-hour total body conditioning HIIT class that utilizes the Concept 2 rower, TRX, ViPR, kettlebells, dumbbells and more. Learn proper rowing technique, and build strength, mobility and endurance.

HIIT the Slopes: This class is designed to specifically build strength and endurance for all the outdoor activities Colorado has to offer. If you want to perform better hiking, backpacking, trail running, mountain biking, skiing or snowboarding, this is the class for you! Come and work toward exceling at the things you love to do.

Kettlebell Fitness: Build muscle, burn fat, and save time! The kettlebell is a versatile tool that can do a lot of positive things for your body. Join Robyn Smith and Matthew Luckie for a series of kettlebell classes that will teach you how to effectively and safely utilize the kettlebell to take your workouts into a new realm of awesomeness!

Live Fit: This nutrition group provides accountability and focuses on making long-term lifestyle/habit changes rather than a quick-fix.

Move Well, Be Well: This class is designed to help you perform well with whatever challenges you choose to take on, using Matt Luckie's *Mobilize, Stabilize and Connect* model to move you toward optimal physical functioning. This class benefits everyone but is especially geared toward those with a history of weakness in their core, lower back, hips and shoulders.

State of Sweat: Small group training program designed to pair with the State of Slim nutrition program. Join your fellow SOS members as you develop healthy ways to workout to compliment your new way of eating. If you aren't a part of the SOS program, no worries! Come join others with similar goals, and get involved in a community that helps keep you accountable to those goals!

TRX: Come join us in the Elevation Studio for this complimentary (NO CHARGE!) class that is sure to challenge your entire body in whole new ways as you use the TRX straps in fun, creative ways. Sign up is required as space is limited to 12 straps.

W.O.W. (Women on Weights): Train in a small group setting with other women! Receive personal attention as you get stronger doing workouts that include: anaerobic, aerobic, total body strength, and flexibility training, as well as camaraderie.

Youth Athletic Performance: Our Athletic Performance class, but designed with the youth athlete's needs in mind.
